OFFICE OF LEGISLATIVE COUNSEL

Thursday - 22 March 1962

25X1 1. [] Miss Rathe in Representative Hale
25X1 Boggs' office telephoned inquiring about the move of the []

I indicated that I would secure the necessary information and be back in touch.

25X1 2. [] Telephoned Representative
Clarence Cannon advising him the Director would, of course, be
pleased to be present for a briefing of the House Appropriations Sub-
committee at ten o'clock on Saturday. I inquired as to what subjects
the Chairman wished covered so we could prepare ourselves. Mr.
Cannon stated he only wished to go into the budget and would not
cover other matters. I thanked him for this information. ✓

25X1 3. [] Jay Sourwine, Senate Internal
25X1 Security Subcommittee staff, telephoned asking for dossier-type
information on [] who may by now
have acquired U. S. citizenship. Apparently [] has visited
Communist China several times and has written a book on it. 25X1

25X1 4. [] Glenn Curtie called from State Department
stating they had received a query from Representative William C.
Cramer concerning an Allen Scott column which indicated that U-2s
were flying over Cuba and had secured pictures of missile bases and
strengthening of airways.
